PANEL NOTES:

**COLOUR:** Deep old gold.

**NOSE:** Initial fruit bomb – complex tropical fruit, candied pineapple, glacé cherries, coconut and even membrillo - gets richer, honeyed and more serious. Warm vanilla and pipe tobacco. Cigar box. Toasted almonds and Christmas spices. Very elegant and floral.

**PALATE:** Warm golden syrup. Dense juicy fruit. Baking spices and Kendal mint cake. Complex, integrated fruit flavours keep on appearing as it develops. Really engaging.

**FINISH:** Wonderfully balanced, fine and lingering. Sweet and floral. Very refined and classy. Looks and tastes older than it's 20 years!
